

LIMITED WARRANTY

LIMITED WARRANTY: RONK ELECTRICAL INDUSTRIES INC. products, hereafter referred to as RONK, are covered by this limited warranty:

A. Phase Converters will be covered for 5(five) years from the date of purchase. The 60 month period shall not be extended even if not placed in use by the original user within the 60 month period. The warranty covers the following products:

1. Econo-Phase Shifter®
2. Add-a-Phase®
3. Roto-Con®
4. Roto-Con CP®
5. Rotoverter®

B. All other products will carry a limited warranty which is effective for 1(one) year from the date of initial installation of the product or 18 months from the date of original shipment of the product by RONK. The 18 month period shall not be extended even though the product is not acquired by or not placed in use by the original user within the 18 month period.

These warranties apply only to the ORIGINAL user of the product and only under the following conditions:

- a. The product is properly fused and installed in accordance with RONK'S installation instructions.
- b. All applicable NEC regulations are followed to insure proper installation
- c. No modifications have been made to original unit
- d. Adequate ventilation and shielding must be provided such that ambient cooling air does not exceed 40 degree C and that noliqid or foreign matter is capable of being ingested into the product.
- e. The product must be installed in a Non-Corrosive environment.
- f. The product is not installed in an Explosive environment.

In addition, no warranty, expressed or implied, will apply to any of RONK'S products which have been repaired or altered by anyone other than RONK, or to products which have been subjected to abuse or misuse as a result of negligence, accident, act of god, or any other cause, or which are not operated or installed in accordance with the factory printed instructions, or which have been operated beyond the rated capacity.

LIMITATIONS ON WARRANTY REPAIRS: Subject to the foregoing terms and conditions, RONK will repair or replace, at RONK'S option, any part defective in workmanship or materials is that part is returned freight prepaid within the valid warranty period described above to the RONK factory. RONK assumes no responsibility for any products returned without proper RGA (returned goods authorization) and proper identification. It is agreed that replacement or repair is the sole and exclusive prerogative of RONK should any parts or materials prove defective. RONK shall not be responsible or liable for any labor, additional material, shipping, checkout, or other costs or expenses associated with or related to the replacement or repair of RONK products, such costs or expenses being sole responsibility of the party contracting for or incurring them.

ALL IMPLIED WARRANTIES OR MERCHATABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY RONK AND EXCLUDED FROM THIS WARRANTY.

RONK shall not be liable under any circumstances for consequential or incidental damages. RONK liability for breach of warranty hereunder is limited solely to the replacement or the repair, as the case may be, of defective products which shall be returned to RONK'S factory in accordance with the terms of this limited warranty for the purpose of repair or replacement.

OTHER ARRANGEMENTS: No deletions of, or additions to the terms and conditions of sale or warranty outlined herein will be recognized by RONK unless specifically agreed to in writing and signed by an officer of RONK ELECTRICAL INDUSTRIES INC.
